

# Switchgrass

## *Panicum virgatum*

The leaves have a bluish cast in the summer, with finely-textured, pink-tinged, branched flower seed heads that hover over the foliage like a cloud. Leaves turn a bright yellow in the fall.

**Bloom Season:** Mid Summer - Mid Fall

**Flower Colors:** Brown, Green

**Soil Tolerance:** Average, Clay, Sandy, Dry, Moist, Well drained

**Height:** 3-6 feet **Spread:** 3-6 feet

**PERENNIAL**
