

Switchgrass

Panicum virgatum

The leaves have a bluish cast in the summer, with finely-textured, pink-tinged, branched flower seed heads that hover over the foliage like a cloud. Leaves turn a bright yellow in the fall.

Bloom Season: Mid Summer - Mid Fall

Flower Colors: Brown, Green

Soil Tolerance: Average, Clay, Sandy, Dry, Moist, Well drained

Height: 3-6 feet

Spread: 3-6 feet

PERENNIAL
